

000 ECE471, Selected Topics in Machine Learning – Midterm Assignment
001
002 Submit by Oct. 24, 10PM

003 tldr: Reproduce a subset of the results of a contemporary research paper.
004

005
006 **Problem Statement** Consider a contemporary research paper. Subject to instructor
007 approval, reproduce an appropriate subset of the results. Feel free to consider any
008 paper we've read in class or any outside paper.
